We do hope that members will adhere to the rules of the game, in that proper footwear must be worn at all times on the green and also show respect for the amenities that have been provided. If any member requires instruction on the game the Club has members who are willing to teach beginners or indeed anyone who feels in need of advice. The Committee hopes that you do enjoy the game, the amenities and the companionship. If you require any more information please contact the undersigned. **Please note that any change of membership i. e. Full to Social/Social to Full requires a new application for membership to be filled in and applied for in the normal way.**
